

## N3981K

N-Series Professional Displays

- Ideal solution for professional environments -Customise your content and display in portrait or landscape orientation across one or multiple displays
- Intuitive friendly software Built-in apps enable users to connect, present and collaborate globally, both in-person and remotely
- Built-in media player and scheduling functionality
  Create, customise and schedule media playlists and display content at a specific date or time
- Optimised for conferencing solutions -Compatible with a variety of accessories such as web cameras, Bluetooth speakers, and motorised trollies

The N-Series Professional Displays are designed to enhance the current conferencing setups of corporate and education settings to accommodate hybrid work and distance-learning scenarios. Intuitive friendly software enables users to connect, present and collaborate globally, both in-person and remotely.

Featuring portrait and landscape orientation, the N-Series are built for usage in corporate lobbies and reception areas, conference rooms, lecture halls, digital signage and other professional environments.
