

Support for floor lift

052.7255 Support 410 mm for floor lifts 052.7200 and 052.7250

Products 052.7200 and 052.7250 are quick and easy to install floor lifts, allowing electrical height adjustment of your (touch) screens. The lifts are fitted with a screen bracket containing most VESA patterns, making it suitable for almost every display. Unit requires positioning close to a wall after which it can be fastened with its adjustable wall bracket. The floor lift comes with a remote control to adjust the display 500 mm (052.7250) or 600 mm (052.7200) in height. Behind the mounting feature, room is reserved for placing a mini PC. For the use of a thin-client PC a VESA75/100 mounting pattern is included. Product 052.7250 is our Floor lift mini; the product is 100 mm smaller than product 052.7200 and offers a 500 mm height adjustment. An optional lift support (052.7255) can be added to lengthen the unit and for placing a logo.
