PRODUCT LEAFLET

Stack frame Aluminium

112.6270 Stack frame Aluminium (Large 270) Max.660x820x270 (WxLxH)

Aluminium, lightweight, solid, fitted with a removable front, fine adjustment over 3 axes and still the most affordable frame on the market. This is the summary of a new line SmartMetals stack frames. The stack frames are available in different standard sizes and can be used independantly by means of a projector specific adapter plate. By the removable front, all models can be combined with projectors which are fitted with ultra-short throw or wide angle lenses. The frames are connected easily and are fitted with a 100x100mm mounting pattern for an adjustable truss adapter (002.4600). Using the 112.1019 truss mounts the stack frames can also be installed for a floor as well as portrait projection.

- ► SmartMetals stackframes are **TÜV and DGUV (former BGV-C1) certified**
- ► Also available for the **Epson L and NEC PA Series**

This product is built on demand: please check lead time with our Sales Team.
