

VideoWall - Stand head

172.0090 VideoWall - Stand head for 2 aluminium profiles

More often one chooses for composing a VideoWall solution instead of a large format projection, this due to the growing availability of narrow-bezel and seamless monitors. For these VideoWall solutions SmartMetals offers a broad assortment of mounting solutions, for floor installation (on wheels) as well as for wall installations. For example: SmartMetals introduced mobile VideoWall solutions incl. base cover suitable for 2x2, 2x3, 3x2 and 3x3 configurations. These 4 floor frames fit 46 to 60 inch screens, please do mention your display of choice to SmartMetals to help you with your solution. Products 172.20xx should be combined with the stand heads, aluminium profiles and mounting arms.
