Transparent OLED   55EW5G-V

See the unseen, LG Transparent OLED

LG Transparent OLED Signage offers new ways to communicate visually and opens up a whole new level of creativity that even conventional digital signage cannot offer.

|			
Astonishing Transparency	Color with Great Depth	Expandable Design (2×N Tiling)	3M long MCX Cables (Accessory)

EXPANDABLE DESIGN WITH T-OLED

* Image shown is for illustrative purpose only.

High Transparency

LG's OLED technology makes the Transparent OLED Signage have slimmer structure without backlight unit nor a liquid crystal layer, achieving high transparency of 38%* much higher than conventional LCD transparent displays (10%**). While clearly showing objects behind the screen, it overlays the relevant information right before them.

* The Year of Measurement : 2018
  Measurement Method : Checking Transparency Using a Hazemeter
  Conducted by : LGD - internal testing
** Based on LG's WFB series

* Image shown is for illustrative purpose only.

Accurate and Vivid Colors

Featuring self-lighting pixels, the display maintains vivid colors and high contrast ratio even when the display becomes transparent. It brings content to life from wide viewing angles, and the content blends into its surroundings seamlessly and naturally.

* Image shown is for illustrative purpose only.

Protective Tempered Glass

Touching a display directly can cause damage or scratches. The tempered front glass protects product from such external impacts and its anti-shatter glass is designed to minimize customers' injuries.

* Optically Clear Adhesive

* Image shown is for illustrative purpose only.

Expandable Design (2×N Tiling)

LG Transparent OLED Signage is designed as a semi-assembled display, meaning you can install it in various ways to fit into existing structures and spaces. With a variety of forms of installation*, it can complement any venue in which it is installed.

* Installation accessories are not supplied by LG.

* All images are for illustrative purposes only.

PRODUCT INFORMATION

* 55 inch

55EW5G-V

| Panel	Screen Size	55"
	Panel Technology	OLED
	Native Resolution	1,920 × 1,080 (FHD)
